

Thank you for booking with Amazing Zip Lines!

Here is a quick summary of the important participant information for your Zip Line Tour
...please forward this to your group.

Zip Line Participant Requirements:

- Weigh between 70-250 lbs
- Sign a waiver
- **If you are under 18** and your parent/guardian is **not** coming with you, you **MUST** download a copy of the waiver at home, **have it signed by your parent/guardian**, and then bring it with you
- Be in at least moderate to good health
- Be able to walk at least a mile
- Be able to put both hands above your head
- Be able to pull yourself along the cable and slow yourself down by using the open palm of your hand on top of the cable with a glove to create friction on the cable.
- **wear close toed shoes – NO Sandals**
- Understand instructions in English
- Understand the inherent risks involved with Zip Lining
- If required, the participant must have all fast acting medications available on their person.
- For the safety of the participant, Amazing Zip Lines does have the right to deny participation if any of the above requirements are not satisfied.

Conditions Prohibiting Participation:

- Pregnancy
- Recent, reoccurring, or existing injuries
- Serious musculoskeletal disorders (must be able to put both hands above their head)
- Currently taking any blood thinning medication (i.e. Warfarin, Coumadin, Plavix, etc.)
- Epilepsy or seizure disorder when the condition prohibits the person from operating motor vehicles.
- Being under the influence of alcohol, illegal drugs, or legal drugs that impair in any way
- Heart conditions that could require immediate medical attention

Things to bring:

- Dress for the weather (it is colder and windier when you are up 70 feet)
- Bring a rain jacket as the tour will go rain or shine
 - Only Severe weather will result in course closure
- Gloves will be provided
- Helmet will be provided (you may wear a hat, bandanna, or toque underneath the helmet)
- **Wear closed toed shoes-No Sandals**
- In the summer, longer shorts and a t-shirt are the most comfortable with the full body harness
- Camera's must be zipped into a pocket or have a string for attachment to harness (use at your own risk)
- If you would like to bring water bottle with you, it must be able to attach to your harness or zip in a pocket
- It is a 2 hour tour...with no bathroom, once on course ☺ ...so don't drink too much ahead of time!

Please be at the facility 10 minutes before your scheduled time of departure.

We look forward to Zipping with you!
